COVENANT ASSAULT CARRIER GROUP

Assault Carriers are monumental symbols of Covenant power, and among the deadliest implements wielded by the Prophets in their war against humanity. Each vessel is a potent instrument of conversion and compliance, capable of deploying thousands of troops and numerous fighter craft, backed by an array of devastating energy projectors that can burn entire continents to ash. In support of each CAS is a powerful CCS-class Battlecruiser and 6 SDV Heavy Corvettes. Also included in the box are Formation Bases and Ship Overlay Sheets for all models included, Statistic Sheets, 10 Halo Dice and Assembly Guides.

10 HALO DICE INCLUDED

8 HIGHLY-DETAILED SHIP MODELS
plus **PLASTIC FORMATION BASES** and **SHIP OVERLAY SHEETS**

Plastic models moulded in purple, resin models in grey, assembly is required

Also available in the HALO: FLEET BATTLES range of products:
